Dear Thue Jonstrup,

Congratulations on Relacom Denmark being named a winner in the “Best Performance - Construction Sector” category of the first ever EcoVadis Sustainability Leadership Awards! Your company has been evaluated against thousands of EcoVadis clients spanning nine industry macro-sectors and three regions, and been selected to receive this recognition based on an outstanding EcoVadis score, exemplary business practices, and an admirable dedication to the principles of sustainability.

Today, more than ever, we rely on companies to lead the charge in promoting sustainability practices and innovation around the globe. We here at EcoVadis recognize that your sustainability initiatives have set an example for your industry peers as to the importance of this task, as has your dedication to being transparent about CSR practices.

I applaud your company’s efforts to drive sustainability forward, and I look forward to continuing to work with you on our collective mission to implement real and positive change in our world.

Again, congratulations on a job well done.

Sincerely yours,
